Kairos Course Information

Originally started in the Philippines in 1994 (then known as the Condensed World Mission Course) and based on the material in the Perspectives on the World Christian Movement course, Kairos has been revised and updated (now in its 4th Edition), translated into multiple languages, with classes running in over 67 nations.

The Kairos Course is a nine-session, interactive course on world Christian mission, designed to educate, inspire and challenge Christians to active and meaningful participation. It is ideally suited to be conducted in local churches, organizations or with special interest groups such as Christian businesspeople. It utilizes a variety of adult learning styles including group discussions, short lecture introduction, devotions, video teaching and student participation in specially designed activities. Kairos looks at the four main areas of mission concern which are the Biblical, Historical, Strategic and Cultural dimensions of mission
